TO: THE HONORABLE ROBERT D. DRAIN  
UNITED STATES BANKRUPTCY JUDGE:

Kramer Levin Naftalis & Frankel LLP (the “**Applicant**” or “**Kramer Levin**”), co-counsel to the Ad Hoc Committee of Governmental and Other Contingent Litigation Claimants (the “**Ad Hoc Committee**”) of the above-captioned debtors and debtors-in-possession (the “**Debtors**”) in these Chapter 11 Cases, hereby submits its Corrected Third Interim Application (the “**Application**”) for Allowance of Compensation for Professional Services Rendered and for Reimbursement of Actual and Necessary Expenses Incurred for the Period From June 1, 2020 Through September 30, 2020 (the “**Third Interim Fee Period**”), pursuant to title 11 of the United States Code (the “**Bankruptcy Code**”) Sections 330(a) and 331, the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”) Rule 2016, and the Local Bankruptcy Rules for the Southern District of New York (the “**Local Bankruptcy Rules**”) Rule 2016-1, for the interim allowance of compensation for the professional services performed by Kramer Levin for and on behalf of the Ad Hoc Committee for the Third Interim Fee Period, and for reimbursement of its actual and necessary expenses incurred during the Third Interim Fee Period. In support of the Application, Kramer Levin respectfully represents as follows:

### **JURISDICTION**

1. The United States Bankruptcy Court for the Southern District of New York (the “**Bankruptcy Court**”) has jurisdiction over this Application pursuant to 28 U.S.C. §§ 157 and 1334.
2. Venue is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2).

**PRELIMINARY STATEMENT**

3. During the Third Interim Fee Period, Kramer Levin represented the Ad Hoc Committee in all aspects of these Chapter 11 Cases. The Ad Hoc Committee continued to play a critical role during the Third Interim Fee Period, with its efforts ultimately directed towards, among other things, (i) analyzing diligence, documents, and discovery provided by the Debtors and the Sacklers, understanding the assets of such parties, attending depositions of members of the Sackler family and other related parties, and conducting further diligence regarding the terms of the Summary Term Sheet as contemplated therein, (ii) analyzing legal issues potentially relevant to a restructuring support agreement and chapter 11 plan, (iii) analyzing, negotiating and/or drafting responses to various motions filed by the Debtors and other parties-in-interest, including the motions filed by the Debtors to enter into certain funding and related agreements, (iv) attending meet-and-confers with the Debtors, the Sacklers, the Creditors Committee, and other parties-in-interest regarding discovery disputes, and (v) reviewing, analyzing, and drafting responses to various pleadings, including numerous motions to file class proofs of claim, a motion to intervene by the NAACP, and motions affecting the Debtors' business operations (including a motion to sell certain assets, and motions to approve certain incentive and retention programs for 2020), as well as conducting analysis regarding filed claims including in response to inquiries by the Debtors and their professionals regarding governmental claims.

4. The substantial efforts and achievements of the Ad Hoc Committee, occurring over the course of the Third Interim Fee Period, required significant resources of Kramer Levin and other Ad Hoc Committee professionals. Kramer Levin drafted multiple pleadings (some of which were ultimately superseded by consensual resolutions), conducted extensive negotiations with interested parties, reviewed substantial diligence, researched the relevant legal and factual issues

involved, advised the Ad Hoc Committee on options and solutions to complex issues, and, when necessary, prepared to litigate (or litigated) unresolved issues.

5. In addition, Kramer Levin worked diligently to ensure that the Ad Hoc Committee and its professionals were appropriately informed of all case updates through: (i) monitoring the filings, pleadings, and other developments in the Chapter 11 Cases to ensure the Ad Hoc Committee was up-to-date on the status of the case; (ii) hosting weekly Ad Hoc Committee calls (and various subcommittee calls) and disseminating extensive and detailed near-daily e-mail reports and other correspondence with the Ad Hoc Committee; and (iii) addressing the questions of Ad Hoc Committee members (and other similarly-aligned parties) inquiring about the status and disposition of the case.

6. Accordingly, Kramer Levin respectfully submits that its services during the Third Interim Fee Period warrant approval of its requested fees and expenses.

**SUMMARY OF PROFESSIONAL COMPENSATION  
AND REIMBURSEMENT OF EXPENSES REQUESTED**

7. This Application has been prepared in accordance with the Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases adopted by the Court on January 23, 2013 (the “**Local Guidelines**”), as amended, and the United States Trustee for the Southern District of New York (the “**UST**”) Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330, adopted on January 30, 1996 (the “**UST Guidelines**”), the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals* [Docket No. 529] (the “**Interim Compensation Order**,” collectively with the Local Guidelines and UST Guidelines, the “**Guidelines**”), and the *Order Authorizing the Debtors to Assume the Reimbursement Agreement and Pay the Fees and Expenses of the Ad Hoc Committee’s*

*Professionals* [Docket No. 553] (the “**Fee Assumption Order**”). Pursuant to the Local Guidelines, a certification of Kenneth H. Eckstein regarding compliance with the same is attached as “**Exhibit A**” hereto.

8. Kramer Levin seeks the interim allowance of fees for professional services rendered during the Third Interim Fee Period in the aggregate amount of \$1,698,836.50 (the “**Third Interim Fees**”) and reimbursement of expenses incurred in connection with the rendition of those services in the aggregate amount of \$69,971.34 (the “**Third Interim Expenses**”). During the Third Interim Fee Period, Kramer Levin’s attorneys and paraprofessionals expended a total of approximately 1,689.20 hours for which compensation is requested.

9. There is no agreement or understanding between Kramer Levin and any other person, other than members of Kramer Levin, for the sharing of compensation to be received for services rendered in these Chapter 11 Cases.

10. The fees charged by Kramer Levin in these Chapter 11 Cases are billed in accordance with its existing billing rates in effect during the Third Interim Fee Period.

11. During the course of these Chapter 11 Cases, Kramer Levin exercised its billing discretion and, as discussed in more detail below, voluntarily wrote off certain fees and expenses. Kramer Levin’s decision to apply these write-offs of fees and expenses has resulted in savings to the estates during this Third Interim Fee Period of \$12,187.29.

12. Kramer Levin’s rates for the services rendered by its professionals and paraprofessionals in these Chapter 11 Cases are the same rates that Kramer Levin charges for such professional and paraprofessional services rendered in comparable non-bankruptcy matters. Such fees are reasonable based on the customary compensation charged by comparably skilled practitioners in comparable non-bankruptcy cases in a competitive national legal market.

13. Pursuant to the UST Guidelines, annexed hereto as “**Exhibit B**” is a schedule setting forth all professionals and paraprofessionals employed by Kramer Levin who have performed services in these Chapter 11 Cases during the Third Interim Fee Period, the capacities in which each such individual is employed by Kramer Levin, the department in which each individual practices, the year in which the individual was licensed to practice law in the state of New York, the hourly billing rate charged by Kramer Levin for services performed by such individual, and the aggregate number of hours expended and fees billed.

14. Annexed hereto as “**Exhibit C**” is a schedule specifying the categories of expenses for which Kramer Levin is seeking reimbursement and the total amount for each such expense category. Annexed hereto as “**Exhibit D**” is Kramer Levin’s detail of disbursements and expenses and a schedule specifying the categories of expenses for which Kramer Levin is seeking reimbursement and the total amount for each expense category for the Third Interim Fee Period.

15. Pursuant to the UST Guidelines, annexed hereto as “**Exhibit E**” is a summary of Kramer Levin’s time billed during the Third Interim Fee Period, broken down by project categories as hereinafter described.

16. Kramer Levin maintains computerized records of the time spent by all of Kramer Levin’s attorneys and paraprofessionals in connection with its representation of the Ad Hoc Committee. These records were used to prepare detailed time descriptions in accordance with the UST Guidelines and organized by project codes. These detailed time records, along with the detailed listings of the expenses incurred in connection with the services rendered, were submitted to the Court (with notice given in accordance with the Interim Compensation Order and Fee Assumption Order) as part of the Monthly Fee Statements (defined below). Subject to redaction for attorney-client or other privilege(s), copies of the final detailed time records and expenses for

the Third Interim Fee Period are being provided herewith to the Court and the Notice Parties, and are attached hereto as **Exhibit F**.

17. Since the commencement of these Chapter 11 Cases, Kramer Levin has provided the Court with a Monthly Fee Statement for each month for which compensation was sought pursuant to the Interim Compensation Order established in these Chapter 11 Cases. During the Third Interim Fee Period, Kramer Levin provided the appropriate Court with the following monthly fee statements:

- a. For June 1, 2020 through and including June 30, 2020, fees of \$413,601.00 and expenses of \$4,238.27 (the “**June Fee Statement**”);
- b. For July 1, 2020 through and including July 31, 2020, fees of \$408,012.00 and expenses of \$3,537.82 (the “**July Fee Statement**”);
- c. For August 1, 2020 through and including August 31, 2020, fees of \$319,182.00 and expenses of \$22,816.40 (the “**August Fee Statement**”);
- d. For September 1, 2020 through and including September 30, 2020, fees of \$558,041.50 and expenses of \$39,378.85 (the “**September Fee Statement**,” collectively with the June Fee Statement, the July Fee Statement, and the August Fee Statement, the “**Monthly Fee Statements**”).

18. In total, Kramer Levin has submitted Monthly Fee Statements during the Third Interim Fee Period for fees of \$1,698,836.50 and expenses of \$69,971.34. As of the date of this Application, no notice party has objected to the Monthly Fee Statements.

19. Prior to the service of each Monthly Fee Statement, Kramer Levin conducted an internal review of fees and expenses incurred during that month. As a result of such review, Kramer Levin wrote off a total of \$9,598.50 in fees and \$2,588.79 in expenses. The Monthly Fee

Statements reflected the reduced amount after write-offs. Accordingly, Kramer Levin hereby seeks allowance of fees incurred for the Third Interim Fee Period in the amount of \$1,698,836.50, and the reimbursement of actual and necessary expenses incurred for the Third Interim Fee Period in the amount of \$69,971.34.

20. In accordance with the Interim Compensation Order, Kramer Levin sought payment of 80% of its fees and 100% of its expenses incurred, pursuant to each Monthly Fee Statement filed with the Court.

21. In total, therefore, pursuant to this Application, Kramer Levin respectfully requests that the Court enter an order awarding Kramer Levin, on an interim basis, fees in an aggregate amount of \$1,698,836.50 and the reimbursement of actual and necessary expenses Kramer Levin incurred during the Third Interim Fee Period in the aggregate amount of \$69,971.34. Kramer Levin requests payment of 20% of its fees that have been held back for the Monthly Fee Statements.

22. To the extent that time or disbursement charges for services rendered or expenses incurred relate to the Third Interim Fee Period, but were not processed prior to the preparation of this Application, Kramer Levin reserves the right to request compensation for such services and reimbursement of such expenses in a future application.<sup>2</sup>

23. A budget and staffing plan for the Third Interim Fee Period is attached hereto as **Exhibit G** and includes a comparison to actual amounts.<sup>3</sup>

---

<sup>2</sup> In accordance with the Fee Assumption Order, Kramer Levin has separately recorded work performed relating to allocation of value among the Debtors' creditors, and, to the best of its knowledge, Kramer Levin has not included time relating to such allocation in this Application. Kramer Levin may request fees related to allocation among creditors at a later date by separate application.

<sup>3</sup> A non-itemized budget was provided to the Debtors for the period covered by this Application. An itemized budget is included with this Application. Kramer Levin confirms that the fees sought in this Application are not, in the aggregate, more than 10% higher as compared to the non-itemized budget.

24. Kramer Levin's rates in these Chapter 11 Cases are consistent with the rates charged by Kramer Levin to its non-bankruptcy clients. These rates are similar to the customary compensation charged by comparably skilled practitioners in comparable non-bankruptcy and bankruptcy cases in a competitive national legal market. Pursuant to the U.S. Trustee Guidelines, **Exhibit H** discloses the blended hourly rates for all non-bankruptcy timekeepers in the New York office of Kramer Levin and the blended hourly rates for timekeepers who billed to the Committee during the Third Interim Fee Period.

25. Prior to filing this Application, Kramer Levin provided the Ad Hoc Committee with a copy of the Application.

### **BACKGROUND**

26. On September 15, 2019, the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to operate their businesses and manage their properties as debtors-in-possession pursuant to Bankruptcy Code Sections 1107 and 1108.

27. The Ad Hoc Committee consists of (i) ten States, (ii) the PEC, (iii) six political subdivisions of States, and (iv) one federally recognized American Indian tribe, as identified in the verified statement filed pursuant to Bankruptcy Rule 2019 at Docket Number 279.

28. The Ad Hoc Committee is represented in these bankruptcy cases by the following counsel: (i) Kramer Levin Naftalis & Frankel LLP, as lead bankruptcy counsel; (ii) Brown Rudnick LLP, as coordinating counsel for the non-state members of the Ad Hoc Committee, including the PEC; (iii) Otterbourg P.C., as coordinating counsel for the state members of the Ad Hoc Committee; and (iv) Gilbert LLP, as mass tort, deal and insurance counsel. In addition, the Ad Hoc Committee has retained financial professionals assist in, among other things, conducting diligence relating to the Settlement Term Sheet, and evaluating and structuring the complex sale and M&A transactions for the Sackler assets.

29. On October 29, 2019, the Debtors' filed the *Motion to Assume the Prepetition Reimbursement Agreement with the Ad Hoc Committee, and to Pay the Fees and Expenses of the Ad Hoc Committee's Professionals* (the "**Fee Assumption Motion**") [Docket No. 394].

30. On December 2, 2019, the Court granted the Fee Assumption Motion by entering the Fee Assumption Order.

### **SUMMARY OF LEGAL SERVICES RENDERED**

31. During the Third Interim Fee Period, the Ad Hoc Committee has worked with the key case constituencies to accomplish a substantial amount. The following summary is not a detailed description of the work performed, as the day-to-day services and the time expended in performing such services are fully set forth in Exhibit F. Rather, the following summary highlights certain areas in which services were rendered to the Ad Hoc Committee and identifies some of the issues to which Kramer Levin devoted significant time and effort during the Third Interim Fee Period.

32. The summary is divided according to the project billing codes, which were created by Kramer Levin (in coordination with the other professionals for the Ad Hoc Committee) to best reflect the categories of tasks that it was required to perform in connection with these Chapter 11 Cases. Nevertheless, given the interconnectedness of the issues in these Chapter 11 Cases, certain of these categories may overlap with others.<sup>4</sup>

**A. Asset Analysis and Recovery**  
**Billing Code: 00001**  
**(Fees: \$415,456.50/Hours Billed: 407.10)**

33. One of the key tasks of the Ad Hoc Committee during the Third Interim Fee Period was the review of ongoing diligence provided by the Debtors, the Sacklers, and other parties-in-

<sup>4</sup> The fees and hours for each matter listed below reflect the voluntary write-offs and reductions of the Monthly Fee Statements discussed above.

interest and attendance at the depositions of the Sacklers and related parties. This diligence process included reviewing and analyzing various information regarding the Debtors, their assets and business, and the Sacklers and their assets, including the Sacklers' Ex-US pharmaceutical companies (collectively, the "**IACs**"), and the potential value of the sale of such assets to facilitate the terms contemplated by the Summary Term Sheet. During the Third Interim Period, Kramer Levin continued to work with its established diligence subcommittee – consisting of a small subset of Ad Hoc Committee members – to consult on diligence issues prior to discussions with the broader group of Ad Hoc Committee members. Kramer Levin worked extensively with the Ad Hoc Committee's financial professionals regarding their analysis of the materials and in preparing diligence updates for the diligence subcommittee, the full Ad Hoc Committee, and the Non-Consenting States (per the information sharing protocol contemplated by the Reimbursement Agreement Order). Kramer Levin also worked to negotiate and finalize a side letter agreement on discovery with the Creditors Committee to streamline efforts around the investigation and diligence process relating to estate claims, for the benefit of the estates. Discovery and diligence contemplated by the Summary Term Sheet is ongoing and Kramer Levin has continued to work with the Debtors, Sacklers, and other key creditor constituents in facilitating more robust productions.

34. The diligence analysis requires substantial efforts from Kramer Levin across practice areas, including involvement of corporate teams to analyze diligence relating to both domestic and international businesses, tax teams to analyze complex tax issues involved in various aspects of and structures underlying the Summary Term Sheet (including the contemplated sale of the IACs), litigation professionals to analyze potential estate claims, and bankruptcy professionals to understand each of these issues in the context of an eventual chapter 11 plan.

**B. Business Operations**

**Billing Code: 00003**

**(Fees: \$65,665.50/Hours Billed: 58.90)**

35. During the Third Interim Fee Period, Kramer Levin conducted analysis of certain of the Debtors' requests for relief, including a proposed key employee incentive plan and key employee retention plan. The analysis provided by Kramer Levin was necessary to the Ad Hoc Committee in deciding its best course of action in regard to these motions.

36. In addition, Kramer Levin continued its diligence of the Debtors' motion for authorization to enter into a funding agreement with Harm Reduction Therapeutics, and ultimately decided to support the Debtors' motion. Kramer Levin drafted the Ad Hoc Committee's statement in support of such motion and prepared for and attended the related hearing. Kramer Levin, in connection with the other Ad Hoc Committee professionals, engaged with counsel to the Debtors, Creditors' Committee, and the Non-Consenting States on revised KERP/KEIP proposals to address concerns previously raised by the Creditors' Committee and Non-Consenting States. Further, Kramer Levin engaged with counsel to the Creditors' Committee and other parties in interest regarding the Debtors' political contributions, and analyzed the agreement among the Debtors and the Creditors' Committee regarding such political contributions.

**C. Case Administration**

**Billing Code: 00004**

**(Fees: \$16,555.00/Hours Billed: 22.20)**

37. A portion of the services rendered during the Third Interim Fee Period related to the continued organization of the Ad Hoc Committee and matters related thereto. In addition, Kramer Levin devoted time to various administrative tasks necessary to assist the Ad Hoc Committee and its professionals in functioning efficiently, including, but not limited to: maintaining work-in-progress reports and work streams; internal organizational meetings and organizational meetings among professionals; monitoring calendars of critical dates; preparing

materials for internal distribution; coordinating conferences and meetings with Ad Hoc Committee professionals; obtaining filed pleadings and maintaining case folders of the same; and routine communications and correspondences.

**D. Claims Analysis**  
**Billing Code: 00005**  
**(Fees: \$505,955.00/Hours Billed: 494.70)**

38. During the Third Interim Fee Period, and in anticipation of the July 30, 2020 bar date, Kramer Levin worked extensively with Ad Hoc Committee members and professionals in connection with the preparation of the State's and local government's proofs of claim. Shortly thereafter, Kramer Levin coordinated with the Debtors and other parties in interest to analyze the universe of claims filed in these Chapter 11 Cases, and analyze legal issues relating to the governmental claims including in response to inquiries from the Debtors.

39. Kramer Levin also devoted significant time to reviewing the motions to file class proofs of claims filed by various creditor constituencies in these Chapter 11 Cases. Further, Kramer Levin engaged with the Debtors, Non-Consenting States and Multi-State Group in preparing objections to motions to file class proofs of claims. Kramer Levin ultimately took the lead in drafting joint objections to these motions to be filed on behalf of all three public-side groups: the Ad Hoc Committee, the Non-Consenting States, and the Multi-State Group. Those joint objections required Kramer Levin to expend substantial time analyzing the legal and factual issues involved, drafting and revising the objections themselves, and coordinating comments among all public-side creditor groups (and clients). The public side claimants filed three joint objections (to seven class claim motions), at docket numbers 1431, 1493, and 1720. With respect to six of these, the motions ultimately were resolved through the Phase I mediation process regarding allocation, and the majority of the remaining motion was withdrawn on September 29,

2020 before it could be heard by the Court (the Court denied the remaining request to participate in the mediation on September 30, 2020).

**E. Employment and Fee Applications**

**Billing Code: 00006**

**(Fees: \$99,541.00/Hours Billed: 139.20)**

40. In the course of the Third Interim Fee Period, Kramer Levin prepared, filed and served several monthly fee statements, and reviewed and coordinated the monthly fee statements of other Ad Hoc Committee professionals filed in these Chapter 11 Cases.

41. This matter also includes time spent reviewing Kramer Levin's and other Ad Hoc Committee professionals' monthly invoices for compliance with UST Guidelines and for privilege and confidentiality concerns.

**F. Litigation**

**Billing Code: 00008**

**(Fees: \$46,582.50/Hours Billed: 39.90)**

42. During the Third Interim Fee Period, Kramer Levin worked to represent the Ad Hoc Committee and engaged with the Debtors and other parties in interest with respect to the NAACP's motion to intervene in these Chapter 11 Cases. Ultimately, the parties reached an agreement to enter into a stipulation whereby the NAACP would be given access to the public creditors' abatement term sheet and an opportunity to present its position on abatement to the Mediators and Mediation Parties, and the public creditors. Kramer Levin spent significant time negotiating the terms of such stipulation. Kramer Levin also analyzed legal issues relating to, and then drafted and filed pleadings objecting to, the stay relief motion filed by Allergan (see docket number 1054), and actively participated at the hearing regarding the stay relief motion. Kramer Levin also spent significant time discussing issues relating to, and conducting research regarding, the extension of the preliminary injunction, including drafting and filing a pleading in support of

the extension (see Docket Number 1471), and participating at the hearing where the extension was ultimately approved.

**G. Meetings and Communications with Ad Hoc Committee & Creditors**

**Billing Code: 00009**

**(Fees: \$263,530.50/Hours Billed: 258.40)**

43. Given the extraordinary level of activity during the Third Interim Fee Period, the Ad Hoc Committee held group calls or meetings once a week (if not more often when the exigencies of the case required). The general purpose of these meetings was to keep the Ad Hoc Committee informed of developments and current issues in these Chapter 11 Cases, and to discuss, analyze, and vote on Ad Hoc Committee positions with respect to matters requiring their input. Ad Hoc Committee meetings required preparation by Kramer Levin professionals and other Ad Hoc Committee professionals and often included multiple agenda items.

44. Kramer Levin coordinated with the Ad Hoc Committee's other professionals on these meetings, on tasks including drafting and setting agendas and preparing and reviewing materials.

45. Ad Hoc Committee meetings also often required internal pre-meeting and post-meeting conferences among the professionals to prepare for Ad Hoc Committee calls and/or to discuss follow-up items that arose on such calls. Frequently, due to the number and complexity of items on the agenda for a given meeting, the participation of multiple professionals (including from multiple legal fields) was necessary to ensure that Kramer Levin could be responsive to members' questions as they arose.

46. Kramer Levin also had numerous conference calls and emails with individual members of the Ad Hoc Committee, and the Non-Consenting States, to discuss developments related to the case.

47. In addition, Kramer Levin provided the Ad Hoc Committee with detailed e-mail updates of recently filed pleadings, case issues and negotiations, and other items relevant to the Chapter 11 Cases.

**H. Plan and Disclosure Statement**  
**Billing Code: 00011**  
**(Fees: \$253,662.50/Hours Billed: 237.40)**

48. In furtherance of the terms contemplated by the Summary Term Sheet, during the Third Interim Fee Period, Kramer Levin continued to prepare analyses identifying and outlining the terms of key definitive documents that will need to be negotiated as part of a chapter 11 plan. Kramer Levin also engaged in various discussions with the Debtors and other parties in interest regarding next steps with respect to the negotiation of such documents, with particular attention to a post-emergence structure that maximizes tax benefits.

49. Kramer Levin spent significant time preparing a presentation for the Debtors regarding certain legal issues in connection with the State's and local governments' proofs of claims and their potential impact on a plan of reorganization.

**I. 2004 Reporting**  
**Billing Code: 00013**  
**(Fees: \$31,888.00/Hours Billed: 31.40)**

50. At the outset of the Third Interim Fee Period, Kramer Levin created a separate category for "2004 Reporting," to monitor the amount of time spent actually pursuing 2004 discovery (but not reviewing documents or attending depositions) in coordination with the Debtors, the Non-Consenting States and Creditors' Committee. Kramer Levin participated in meet-and-confers with counsel to the Creditors Committee, the Debtors, the Sacklers, and other parties-in-interest to address and/or resolve discovery disputes relating to discovery sought by the Creditors' Committee, the Non-Consenting States, and others pursuant to Bankruptcy Rule 2004.

**STATEMENT OF KRAMER LEVIN**

51. The foregoing professional services performed by Kramer Levin were appropriate and necessary. The professional services were in the best interests of the Ad Hoc Committee, the Debtors' estates and other parties-in-interest. Compensation for the foregoing professional services as requested is commensurate with the complexity, importance and nature of the problems, issues or tasks involved. The professional services were performed in an appropriately expeditious and efficient manner.

52. The majority of the services performed by Kramer Levin were rendered by Kramer Levin's Corporate Restructuring and Bankruptcy Group. Kramer Levin has a prominent practice in this area and enjoys a national reputation for its expertise in financial reorganizations and restructurings. The attorneys at Kramer Levin have substantial experience representing creditor groups in many chapter 11 cases. In addition, due to the facts and circumstances of these Chapter 11 Cases, attorneys from Kramer Levin's corporate practice group, as well as attorneys in other specialized areas as necessary, were involved with Kramer Levin's representation of the Ad Hoc Committee. Overall, Kramer Levin brings a particularly high level of skill and knowledge which has inured to the benefit of the Ad Hoc Committee in this case.

53. The professional services performed by Kramer Levin on behalf of the Committee during the Third Interim Fee Period required an aggregate expenditure of approximately 1,689.2 recorded hours by Kramer Levin's members, counsel, associates and paraprofessionals. Of the aggregate time expended, 808.4 recorded hours were expended by partners and counsel of Kramer Levin, 811.3 recorded hours were expended by associates, and 69.5 recorded hours were expended by paraprofessionals of Kramer Levin.

54. During the Third Interim Fee Period, Kramer Levin's hourly billing rates for attorneys ranged from \$585 to \$1500 per hour. Allowance of compensation in the amount requested would result in a blended hourly billing rate for attorneys of approximately \$1,031.01 per hour (based upon 1,619.7 recorded hours for professionals at Kramer Levin's regular billing rates in effect at the time of the performance of professional services), and a total blended hourly billing rate for Kramer Levin's paraprofessionals of \$415.96 per hour (based upon 69.5 recorded hours for paraprofessionals at Kramer Levin's regular billing rates in effect at the time of the performance of the services).

55. Such fees are reasonable based on the customary compensation charged by comparably skilled practitioners in comparable bankruptcy cases in a competitive national legal market. As noted, attached hereto in Exhibit B is a schedule listing each Kramer Levin professional and paraprofessional who performed services in these Chapter 11 Cases during the Third Interim Fee Period, the hourly rate charged by Kramer Levin for services performed by each individual, and the aggregate number of hours and charges by each individual. Kramer Levin provided a copy of the Application to the Ad Hoc Committee prior to filing the Application and received no objection to its filing.

**ACTUAL AND NECESSARY EXPENSES OF KRAMER LEVIN**

56. As set forth in Exhibit C hereto, Kramer Levin has disbursed \$69,971.34 as expenses incurred in providing professional services during the Third Interim Fee Period. Pursuant to Kramer Levin's policies (which we believe are comparable to those of other New York City law firms), Kramer Levin has (and will continue) to pay certain expenses of professionals who work past 8:00 p.m. and on weekends and holidays in the service of its clients, and/or for business travel, including to and from Court hearings or remote meetings. These expenses include meal

charges and car fares. Consistent with the U.S. Trustee Guidelines, Kramer Levin has also voluntarily reduced its request for reimbursement for late-working professionals' meal charges to \$20 per meal to the extent that such meal charges were in excess of this limit.

57. With respect to photocopying expenses, Kramer Levin charged \$0.10 per page. Kramer Levin does not charge for facsimile transmissions, other than the cost of long distance facsimiles at applicable toll charge rates, which invariably are less than \$1.25 per page, as permitted by the Guidelines. Each of these categories of expenses falls below the maximum rates set by the Guidelines. These charges are intended to cover Kramer Levin's direct operating costs, which costs are not incorporated into Kramer Levin's hourly billing rates. Only clients who actually use services of the types set forth in Exhibit C are separately charged for such services.

58. In addition, due to the locations of Ad Hoc Committee members, long-distance telephone calls were often required. These disbursements are not included in Kramer Levin's overhead for the purpose of setting billing rates.

59. Kramer Levin has made every effort to minimize its disbursements in these cases. The actual expenses incurred in providing professional services were absolutely necessary, reasonable, economical, and justified under the circumstances to enable Kramer Levin to serve the needs of the Ad Hoc Committee.

60. The members of the Ad Hoc Committee also incurred certain expenses in the performance of their duties as members of the Ad Hoc Committee. This Application seeks allowance of these necessary disbursements by the Ad Hoc Committee members, in accordance with the terms of the Fee Assumption Order.

**THE REQUESTED COMPENSATION SHOULD BE ALLOWED**

61. The Fee Assumption Order provides that Kramer Levin's reasonable and documented fees and expenses shall be subject, *mutatis mutandis*, to the procedures with respect to the authorization of payment of the fees and expenses of the professionals of the Debtors and the UCC as set forth in the Interim Compensation Order. Therefore, while this Application is not strictly subject to sections 331 and 330 of the Bankruptcy Code, we are guided by such provisions in making this Application. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of 11 U.S.C. § 330 to govern the Bankruptcy Court's award of such compensation.

62. Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded . . . , the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

63. Here, Kramer Levin respectfully submits that the services for which it seeks compensation in this Application were, at the time rendered, believed to be necessary for, beneficial to, and in the best interests of, the Ad Hoc Committee. Kramer Levin further submits that the compensation requested herein is reasonable in light of the nature, extent, and value of such services to the Ad Hoc Committee. The services rendered by Kramer Levin were consistently performed in a timely and efficient manner commensurate with the complexity, importance, and nature of the issues involved. Kramer Levin respectfully submits that approval of the compensation sought herein is warranted.

**STATEMENT PURSUANT TO APPENDIX B OF THE GUIDELINES**

64. The following is provided in response to the request for additional information set forth in the Guidelines.

- a) Kramer Levin seeks reimbursement of fees and expenses that are permissible under the relevant rules, court orders, and Bankruptcy Code provisions. In addition, Kramer Levin provided voluntary write-offs of both fees and expenses during the Third Interim Fee Period in its discretion.
- b) The fees and expenses sought in the Application are billed at rates customarily employed by Kramer Levin, and generally accepted by Kramer Levin's clients. None of the professionals seeking compensation in the Application varied their hourly rate based on the geographic location of the Debtors' cases.
- c) For the Third Interim Fee Period, Kramer Levin is not seeking fees that exceed, in the aggregate, non-itemized budgeted amounts for that period by 10% or more.
- d) This Application includes certain time (and fees) related to preparing, reviewing, or revising fee statements to comply with the local bankruptcy rules and U.S. Trustee guidelines. These fees are reflected in a portion of the amount requested in billing code number 6, Employment and Fee Applications (which matter also includes time spent by Kramer Levin reviewing other professionals' employment and fee applications and reviewing time records to redact or address privileged or other confidential information). Such time was necessary in order to comply with applicable guidelines and the Interim Compensation Order and to file monthly fee applications (which is a distinct requirement in bankruptcy matters).

- e) In connection with the preparation of its monthly invoices, Kramer Levin reviewed its monthly invoices at the time that they were filed for privilege and confidentiality. The Application includes fees incurred in conducting that review.
- f) This Application includes one rate increase since Kramer Levin's retention. On March 16, 2020, Kramer Levin filed its Fourth Monthly Fee Statement where it disclosed that it had increased hourly rates charged by professionals as of January 1, 2020 in accordance with its annual review process.<sup>5</sup>

### **NOTICE**

65. Notice of this Application has been provided in accordance with the Guidelines and the Interim Compensation Order. Because of the nature of the relief requested, the Ad Hoc Committee submits that such notice is sufficient and that no further notice of the relief requested in the Application need be given to any party.

[THE REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]

---

<sup>5</sup> As set forth in the Twelfth Monthly Fee Statement [Docket No. 1992], the rates for certain associates working on this matter increased as of September 1, 2020, in connection with the associates' yearly step-up in seniority, but this annual step-up is not considered a "rate increase" as the billing rate among the applicable associate class does not change.

**CONCLUSION**

WHEREFORE, Kramer Levin respectfully requests that the Bankruptcy Court enter an order: (i) authorizing the Debtors to pay the entirety of the unpaid balance of all approved fees for the Third Interim Period (including holdback amounts) and (ii) granting such other relief as is just and proper.
